## UPDATE FROM THE STEPS CLASS

On April 2, 2005 eight Level 3 students of the Steps Basic Obedience Class were given the opportunity to obtain their AKC Canine Good Citizen certification. To their surprise all entries passed. All these participants entered the Steps program virtually at the same time and progressed from Level 1, 2 and 3 together. They completed the ten lessons in a 13 week period and graduated with their CGC certification. This is **a first** for the Steps program. Listed below are their names and their dog's name (from left to right). All that are not members of GLOC have been encouraged to join and continue their training in Obedience or Agility.
