GLOC Board Meeting Minutes Thursday, May 3, 2018

Attendees: Teresa Barney, Jeannine Beer, Terese Pirl, Alicia Graybill, Kat Potthoff, Jessica Bruns, Kim Kempkes, Mary Schweitzer, Robin Bonge, Katie Schwartz, Sherry Tomes, and Pam Eckstein.

Called to order at 6:05 PM. Any corrections for the April Barker? One note was out of place, that Teresa was working on website, not sure if we had a good place to set up for 2019, then went on to mention some trial stuff on the thumb drive, this was a separate issue. Alicia moves, Sherry seconds to approve these. May Barker just came out on the second, one correction that equipment we need should have been 10 – 5 foot poles, we do not need any 10 foot poles. Mary moves to approve, Alicia seconds, Minutes approved as amended.

Jeannine Beer - treasurer report – income for April \$19,692.30, expenses were \$10,121.16. Cash flow is \$9,571.14; checking account balance is \$51,673.11, funds on hand are \$50,628.64.

Kim Kempkes gave the corresponding sec'y report: Card sent to Kathy Zupancic, Claire died; Cheryl Griffin – Chip died; Stef Bowers, mother-in-law passed away; Sherry Miller dog Maggie had a slight stroke.

Alicia Graybill - Obedience Report, she missed Sat class, will talk to class to make up. Need assistants to teach, Alicia recommends Jenna Dirkschneider, she is very good at it; can also ask Kim, she has gone from being asst to instructor, and is doing very well.

Discussion: Mary sharing that there is a problem with the keys, building is continuously left open, fans left on, lights left on, thinking that this needs to be addressed. Mary, Marilyn and Kat finding lights etc., door open when they arrive. Might need to possibly revoke key privileges, only board members and instructors will have keys. Recently one night, after people are in class, last person there did not have a key to lock up. Board is considering revoking keys due to building being unsecure and other problems mentioned. Will send out email to let people know also. Might implement sign in/sign out sheet, deciding that this is what we will do, but then might need to revoke keys if this doesn't work, reconsider key privileges as some people may not sign in/out. Unsure if we can have a security camera, difficult as there is no wifi/internet access. Jeannine stating, she agrees that we should have a check list put up. Kat stating first person of the night should sign in, and then last person leaving also sign out, and complete check list. Jeannine will write up check list, including everything that needs to be done, review of all the doors, 7 banks of lights, windows, and four overhead, garage doors, bathroom lights, ceiling and floor fans. Checklist - Date, sign in, time, first person in, etc for last person out, will then have who opened it, anything not right on check it, and then same information, going down checklist, for who closes. Jessica will send out the email to all with keys. Additionally there is a concern about safety when arriving at the building, and vandalism.

Alicia, will have CGCs by the end of the week. Marcy wonders if club is willing to buy some of the CGC forms, right now she and all the others

who are doing the CGCs are doing their own, only done by those in the club, maybe we can have a supply on hand just in case. Jeannine can go to the website and purchase, if approved. This was possibly talked about, but not implemented as far as anyone remembers. Kat moves that the club purchase 50-60 of the CGC forms, Jeannine seconds, passes.

Jeannine added to her report, March AKC – finished off with +\$941.74, all checks cashed, no fines. Teresa explaining that the catalog that judge signed originally, that was sent early, but lost in the mail. We priority mailed duplicate catalog to the judge, so she could sign off on it, and we sent her all the material plus a check to cover the cost and ship it to the AKC, have not heard anything, so assuming it's all okay. Everything seems okay, will come out of the \$941, \$25 to send to Abby, and check to her + \$25 to be subtracted.

Nov trial was \$750, other bills/heat or so, anyway trial did very well, may be \$1,000 for the building.

Anything still hanging out there still for bills for either of those, hopefully nothing else outstanding, want to close those out. Robin says maybe just the food, \$54.48 for pizza. Ate half the pizza, half put up, ate more the next day.

Kat report of trials/agility – done with last Nov., March, Apr., all done.

June – Kim says we need truck and drivers still, pick up Thurs, at 5 or so, Jeannine will do this, pick up Thursday night, return Sunday. Rent for 3 days, return by 5 PM on Sunday. Best to go inside, not use photos or APP. Easier when returning. Jeannine will reserve, etc. Question for who is head course builder, will be Jayne or Leath. Tire jump, who is going to get this in Omaha, does not take much room when collapsed down, Jeannine offering to do this also. Supposed to set up pre-trial meeting, will be Rob Lane, head of sporting village, Kim and Chris; and pretrial meeting with the club, will talk with Chris, let Kat and committee know

time of meeting. Can get premium linked to agility on our webpage. Biggest question is sec'y, as Amy has not responded. We just have to have some conversation, as if we are going forward with the computer, just waiting to hear from Amy. People who have registered for June have gotten confirmations back from Amy. If we hear back from Amy we will let Kim know. We think that she is going to be the sec'y. Jeannine is going to train with her at the trial to be sec'y. At the trial need to shoo people away from the table, assist new people, or those who have questions. Can be a problem first thing in the morning. Need extra people at the table during Time to Beat.

Kim has sign up sheets, for the food, AM/PM Fri/Sat/Sun, who can bring, set up, etc., what food they can bring, Pam saying she can help with food Fri and Sun. Chris's husband can also help with food, bring sandwiches, wants to coordinate with others who are bringing food. Can take our refrigerator to Sporting Village. Also passing around sheet for volunteers. Kim asked where is the book for trial chairs, Chris should have it. Also we now have 2 copies of CPE rule books, in our cabinet, we need to have one on site. Kim will need to pick another person to mentor under her. November – Sherry is trial chair, and we need to get something going on that. Other things that have popped up on our place, proposal from Omaha, to share the GOAG equipment at Wahoo, because one of the Omaha groups may add a CPE trial the weekend before our trial. Would have, within a 9 day timeframe, 4 days of CPE, Thanksgiving, etc. Kat had conversation with John about not having another trial so close, it is also the same day as our obedience trial, seems they want this, may not be able to pull it off.

Have had 3 conversations with him, asking questions about leaving the equipment up in storage, leave it out there for 8 days which we do not want, loading/reloading, storing for free,

all may be problems, no answer yet from him. Kat stating that it was misinterpreted that she does not like the GOAG equipment, but this is not true, it is the issues of storage, expense, volunteer and resource issues. GOAG does not have a judge, so want our judge, but just on a calendar, not talking to the judge, and they wanted to swap, but no communication if the judge might be busy that weekend, and if available for the weekend.

Unsure what will be happening on Thanksgiving for Kat. Will set the first meeting, everyone is welcome to come to this, for people to cross train and be exposed, at that meeting we will reconfirm that we will go with jumpers as our double class, so that the form can be filled out, and can have our 5 ft bars on this.

Agility group did meet and came up with several things, priorities, equipment purchases and repair, to get it done now that it is summer. Building floor is more important for everyone, mats are pulling apart in places, due to dragging of equipment, and with bigger dogs playing also. Not in good shape, can cause tripping, need to have this done before we have obedience trial in November.

Other Obedience- Jeannine saying she will have the stantions on Saturday. They will be 1/2 to 3/4 inches shorter, but the holes are the same, did this to get it cut right and efficiently on the sheet. These are the stands that go on accordion. Robin James has approved to buy more of the accordion stuff.

Kat sent out email to CPE people for dates for our trial for next April, either 4/6 and 7, or 4/13, 14, 2019. But in 2019, the 14th is Palm Sunday, if we stick with this don't have to change for 2020. We can move it up a weekend if we want, to miss Palm Sunday for 2019, but then will be on Palm Sunday in 2020. Seems like Palm Sunday is unavoidable. Maybe move to 4/6, 7 for 2019, but this may conflict with other events. Either is okay with the fairgrounds. Decide to

leave it for 4 –13-14 for 2019. Also keeping weekend after Thanksgiving for 2019, will be Nov 30th and Dec. 1. We need to ask for feedback if we want to keep it on Thanksgiving weekend or not. If deciding to change, this can be done by filing a paper, not difficult to do. And will talk to Robin for the obedience dates.

Website has been launched. Some people getting Safari warning box that 'this is not secure', difference between HTTP and HTTPS, if we want a secure site, costs money, we do not have any personal information on the site. Override the box to log on, accept the certificate warning, the log in is: gloc1963, PW is dogsport. Feedback that we like it. Back door stuff, update member site calendar for 2018, Adam and Teresa working on this. Picture gallery also, once you are logged in as member, and have photo gallery ready to go, you can then 'upload photo', do we want a running slideshow, or as thumbnails and be able to tag in there. To tag people would be more work, but easier to sort photos, some people do not want to be tagged though. Can also tag dogs. And ideas, email to Teresa, getting everything set up, workflow to Adam.

No problems with registration or with entering volunteer hours.

Salt Dogs, they are changing from 3 nights Bark in the Park, to 1 night for Year of the Dog, will be Sunday August 26th. We think this may be a hot night with lots of dogs. It was proposed that we will participate as a sponsor, that night receive concourse area to set up table, and pass out promotional materials, 1 6-8' table and 2 chairs. Will have public address announcement and video board recognition at game. Can have a raffle to give away maybe 6-wk obedience class, conduct sign ups, announce winner at the game. Would receive 4 seats to 9 premiere Salt Dog games during the summer, sponsorship is \$350. Thinking that this is not enough bang for our buck. People did not come by the table. We

can all still go as a group, sit on the berm in our shirts. For other dog groups going to be there, are they getting in free, non-profit groups, do they think we are for profit? Are we singled out? We can bring our dogs on any Monday we want. And then we don't have any responsibilities, it is a lot of fun. We may or may not get to do games, not sure, Teresa will ask. So we will get back to them, play hard ball, Teresa will gather more information. Not sure if there will be link on their webpage for us if we are sponsors.

Email from Jayne, Tracy Simpson at the Lincoln Visitor and Convention Bureau, she wants to know if we would need plastic bags to hand out at our trial as a giveaway, would we like this for our June trial. This might be nice to have, mostly for out of town people, maybe ask for 50-100, we can use leftovers if we have them.

Allison, Andy Frederick's wife, are we interested in being part of their summer newsletter, Lincoln Animal Ambassadors, 400 words, information about our group, offerings, Alicia would do this, to be in their summer quarterly newsletter, vote is yes.

Jeannine started work on the checklist, she will get stencils, or glitter letters, to put by light switches, doors, make it clear and easy with A, B, C.

Kim needs a volunteer coordinator for the trial. Pam wants to get an old back drop for our photos, this sounds like a good idea. Jessica asking if she can purchase a coffee/hot water machine for water only, this is okayed.

General meeting, in attendance:
 present Teresa Barney, Katie Schwartz, Jeannine Beer, Jessica Bruns, Pam Eckstein, Alicia Graybill, Leath McGlaughlin, Victoria Christensen, Bryant Gabriel, Kat Potthoff, Colin Marshall, Jennifer Brown, Kim Kempkes, Christa Virus, Tim Dexter, Teresa Lee, Robin Bonge, Sherry Tomes, Rosalie Claussen, JuLee

Vincent, Martha Anderson, Eric Wickizer, Veronica Schnell, Terese Pirl.

Asking for any corrections for April and May Barker One note was out of place, that Teresa was working on website, not sure if we had a good place to set up for 2019, and if sharing a thumb drive would work, but file cabinet information and trial stuff on the thumb drive, or maybe email list information, but this was a separate issue. Alicia moves to approve, Sherry seconds. May Barker just came out on the second, one correction is that equipment we need should have been 10 – 5’ poles, we do not need any 10’ poles.

Treasurer report -

Jeannine Beer - treasurer report – income for April \$19,692.30, expenses were \$10,121.16. Cash flow is \$9,571.14; checking account balance is \$51,673.11, funds on hand are \$50,628.64.

About \$1000 profit from March AKC trial, and waiting on CPE, as we don’t have the facility, heating, etc. Assuming we are about the same as last Nov. Jeannine wanting to double check, and come back. Motion to approve, Alicia, Mary seconds.

Corresponding sec’y- Card sent to Kathy Zupancic, Claire died; Cheryl Griffith – Chip died; Stef Bowers, mother-in-law passed away; Sherry Miller dog Maggie had a slight stroke, but is doing better.

Alicia -Obedience Report, going very well, missed Sat class, will talk to class to make up. If you are even thinking about teaching, encouraging you to do this, is a great opportunity, and we can use assistants to teach, Alicia recommends Jenna Dirkschneider, she is very good at it; can also ask Kim, she has gone from being asst to instructor, and is doing very well. Starting session 4, take a break from

Agility for session 5, July to mid-August due to the heat.

Kat – Sport Director report of trials/agility 5 major trials, 1 in March, was successful; Apr – CPE, was a cold April trial, great trial overall per Robin. March AKC cleared about \$900, Apr – some bills still outstanding, should clear \$2500.

June – Kim is chair, Chris is co-chair. Kim has sign up sheets, for the food, AM/PM Fri/Sat/Sun, who can bring, set up, etc., what food they can bring, Pam saying she can help with food Fri and Sun. Chris’s husband can also help with food, bring sandwiches, wants to coordinate with others who are bringing food. Can take our refrigerator to Sporting Village. Also passing around sheet for volunteers to help during the trial, don’t be afraid to sign up, you will be trained. Sign ups can be for leash runners, bar setters, sheet runners, etc., giving explanation of these. Come for any length of time that you are able. Also good experience to come, watch and absorb, lets you see the excitement and how fun it is. Head course builder, will be Jayne. Jeannine will get the tire jump, also the truck pick up, drop off, and driver. Kim will set up pre-trial meeting with Rob Lane, head of sporting village, and Kim and Chris also will hold pretrial meeting with the club also. Jessica will take care of volunteer board, all 3 days. Three day trial, 6/15, 16, and 17th at Speedway Sporting Village, nice indoor facility. Kat has all the 2018 dates for anyone who needs these.

Oct trial, also AKC, Kim will be trial chair. Sherry is trial chair for November. Premium, the paperwork to sign up for trials will be coming. Sherry asking for a few more committee members.

Agility group met, working on equipment, getting our 5 ft. poles, both CPE and AKC judges like these. Also need some painting done, watch for your emails on that. Painting of

the PVC poles, this is good way to get volunteer hours, she will leave them in the building, need acetone to wipe off the paint, can take these home to work on. Pam reporting that Goo-gone works better to remove the paint than acetone. Will put different colorations on these to help dogs distinguish these, so will stay with how our 5' poles are now, no change.

Kat reporting that Instructors are needed for session 4, need 1 Monday night 8 PM, Agility 2 instructor, 1 Wednesday 6:30 Agility 1 instructor, and several assistant instructors. We are going to have some workshops for Barn Hunt and Scent Work. On 6/3, will have Barn Hunt, 1 1/2 hr workshop, 4-5:30PM and 6-7:30, can sign up thru SCC, and will have spots for members. Scent Work 2 workshops on Oct. 21st, and Scent Workshop on Oct 20. Just finishing our first Scent Work class, Pam will continue as our instructor, have to have Scent work 1 first, will add more during the year. Don't have the dates set yet for Barn Hunt practices. If you have questions ask Teresa, Pam, Jessica about Barn Hunt. Will be advertised through club emails and our club private FB page, to get information on these classes. Will also show up under our class schedule on our calendar and our website, specialty classes.

Leath- one more thing, having the NADAC fun run, video trial this Sat, 5/12, can run for titles, send video into NADAC. Need to register for NADAC online, this is good for practice and to see how trials run. Registration/check in starts at 9/9:30, trial starts at 10. \$5 a run, goes from intro to excellent, novice, open and other courses. Will be in grass just outside in our back yard.

Salt Dogs, they are changing from 3 nights Bark in the Park in the summer, changing to 1 day for Year of the Dog, will be Sunday August 26th. thinking this will work better for them. We will

try to get a group together to go and participate in Bark in the park.

Victoria reporting on Tails and Trails – this will be Sat. 5/19. 11 AM, Kim, JuLee, Terese, Sherry all going to help. Will get the marketing flyers to take, no giveaways. Walk starts at 11, goes until 2:30 or so. Victoria going out at about 9, to set up the table.

Terese – membership - yes we have some new dogs and members here, Colin Marshall with Moose. Registration closes at 6, Friday, room in all classes, sign up for any class that you want. Scent Work 2 not out in time, if you are in Scent Work 1, or previous experience, let us know, can get signed up.

Time frame before November, to have mats repaired, they are shifting, need to clean out the area in the building, and put the agility mats back on top. Puzzle piece matting is underneath the green stuff. Want to get this done before Nov. Obedience Trial. Please do not slide equipment, this shifts and damages the mats, also when the bigger dogs play, they snag on the mats.

If you are in building and last person to leave please check all windows and other doors, light banks, fans, lights are off, etc. We are going to have checklist, sign in time/day/date, and check off information as listed, report if anything is wrong. We want to have list and time to make an attempt to document some things. Board doesn't want to be drastic will give this a lot of thought, hoping that the checklist and signing in and out will help, otherwise may have to revoke key privileges. Hurts our electricity bill, safety, etc., building being unsecure and other problems mentioned. We will send out email to let people know also. Might implement sign in/sign out sheet, deciding that this is what we will do, but then might need to revoke keys, reconsider key privileges as some people may not sign in/out. Jeannine stating, to have a check list put up. Kat stating first person of the night should sign in,

and then last person leaving also sign out, and complete check list. Jeannine will write up check list, including everything that needs to be done, review of all the doors, 7 banks of lights, windows, and four overhead, garage doors, bathroom lights, ceiling and floor fans. Checklist - Date, sign in, time, first person in, etc for last person out, will then have who opened it, and who closed it. Jessica will send out the email to all with keys. Additionally there is a concern about safety when arriving at the building, and vandalism. Jessica will send out email to those who have keys, with this information.

Website now launched, Adam had to rewrite the whole website, and do all the programming for it. There may be a few more changes needed, such as correcting dates. Working on photo gallery on the member's only website so we can upload photos, if you have ideas or suggestions, send Teresa an email. If you use Safari, when you log in you will get a certificate error that says this website is not secure. All you have to do is check that you will accept the responsibility. Would cost more to have a secure website, and we don't have your personal information so this is not needed. Log-in is gloc1963, PW is dogsport, ALL LOWER CASE. Kat asking is there a reason why the photos have to be on the member's page, wouldn't we want the public to see these. Teresa saying we would add more to it once we get some of the photos, then would add these to the public page, members can also load photos of their own dogs. Can see the photos, but then to upload it would have to be a member.

Other item, Lincoln Animal Ambassadors is featuring GLOC in their summer issue, Alicia is going to write the article, will get in touch with Allison Frederick who is in charge of this, Any ideas for the article let Alicia know.

Next meeting 6/7 Thursday is our club picnic, Jessica is the chair for this, and she is excited about this, very excited about everything

tonight. Bring your dog, food, some gluten-free food please. We plan to have some new games, take photos for our website, meet outside. Will be meeting with volunteers for this.

BRAGS Bryant and Colin's dogs ran into a bunch of cattle, dogs immediately started herding them, they knew without training just what to do! Kim asking for prayers for Rocky to pass his CGC, will be his third try, he always wants to jump on the evaluator, but he really can get it, he is good! Jeannine reporting how in last class, we traded handlers and Jessica took Pappy through a run, it was videotaped, and she will post this, he did well, and was also very cute. Rikko recently competed in Rally, got 2 q's in Rally Excellent Saturday, then on Sunday, he went and picked up all the toys the instructor kindly set out, so he was thanked before he had to leave.

Teresa reporting that last weekend she was at an Agility trial for Go Dogs, got 3/6 50%, qualified in Time to Beat for the first time. Also got 1st place (was the only dog). Alicia moved to adjourn, Jessica was second. All in favor.
