Just a friendly reminder, the Barker deadline to make certain that something will be included is 5 p.m. on the 15th of the month. You can submit things after that but they may not be printed until the next month.

GLOC Board Meeting Minutes Thursday, July 5, 2018

Attendees-Teresa Barney, Jeannine Beer, Kat Potthoff, Mary Schweitzer, Katie Schwartz, Kim Kempkes, Jessica Bruns and Sherry Tomes.

Meeting was called to order at 6:05. First asking about review of errors in the minutes. Reported some errors in board member list, incorrect names and addresses, Martha will work on this, there may be a glitch or difficulty correcting this, or may go back and work on the template. No one has read the minutes, so will ask for any corrections at next month's visit.

Treasurer report:

Jeannine reported that June was a very good month, income was \$28,509.95. \$10,220 was from SCC, \$17,150 from the trial. Expenses of \$10,271.86 includes our rent, April trial that we paid, June trial, and we paid our accountant. June trial has not come through, asked for a discount due to mix-up there. At that trial we requested the new contracts within 4-6 weeks, but we don't have those yet. \$4,000 estimate, floating for the Speedway, but not subtracted. When Jeannine says expenses she means what has cleared in that month. Kat asking for tentative income for June, Jeannine will figure this out and let her know this. Net for the month was \$18,238.09. End Of Month balance was \$67,033.49. Float right

now, we have \$8,286.58, of which \$4,000 is the estimate for Speedway, and also some AKC fees. Jeannine stated she will hassle some people about their outstanding checks, out there since last year.

Pam has some old checks, Leath has not cashed a check for his mileage rental for the trailer for the NADAC equipment, so some stuff is still out there. Teresa reported that she has a close out notice from AKC trial so their check should be clearing soon. Kat would like to see what the specific entries are from the trial, such as what classes, and the judge's report, so that we could track year to year. Jeannine has trial report, she can figure the information out, using software, no problem.

Kat says we need to give last call for all June bills at meeting tonight. Jeannine says one bill out for food from Victoria, maybe Lesley has outstanding bill also. With the \$4,000 estimate out, June trial cleared \$6,875. We have \$10,000 profit from our trials. So much depends on whether it is a 2 or 3 day trial, and if you are flying a judge in from the East coast, and not paying trial sec'y also, as this costs \$1000-\$1250. Sherry moved to accept the treasurer report, Mary seconded.

Could not approve last month's meeting minutes, as there was not a quorum present, need to have at least 50% of the elected officers present.

May minutes approved at this time, Jeannine moves, Sherry seconds. Teresa says we will go over June's minutes next month.

Obedience report, Teresa reported with Alicia home sick, she sent in the following:

Classes are running a little rough due to the heat. Last session's make-up sessions are bleeding into this session. Liz Trainor will be teaching the tricks class, Kim is teaching Tues night Obedience Level 1 class. Would be helpful if Kim had an instructor key, also the reactive dog she was working with on Sat is not participating due to the heat. Obedience Level 2 class is very large.

Review of when this session's classes are starting, some this week. Others next week due to 4th of July holiday, so Wed. classes start next week.

Corresponding sec'y report – Kim

Reported a was card sent to Alicia and Marcy since losing their sister; still waiting on some info from Pat Guticz for what she would like in honor of Harry. Kat gave card to Pat at the funeral, also a plant from the Club. Pat has fallen again, had to go to the doctor, injury to her face, so we will send her another card. Pam's son, Luke, had to have a 2nd surgery. Pam's husband has had to have injections, for fungus in eye. Kerri Paulsen's grandmother had some health issues, put her down for a card. Kat's heart grandma Annie is back in the nursing home, fell and had hip surgery. Teresa's dad has bone marrow CA, given 3 years to live, aggressive and rare form. Going through chemo, hoping no side effects, but he is giving it a try. Robin Bonge planning to have more surgery, in August. Cheryl Griffith's daughter Alison, had surgery. Sent cards to all.

Kat –Sport's director report:

Wahoo 2019 facility contract rec'd. Will check with Judy Vitamvas, maybe have received something from Speedway Sporting Village, and their bill from June. Working on checking with other available judges, and put feelers out to get 2020 going, asking others for input for 2021, want to check on judges close to us, and look at bottom line and our profits for travel expenses. Like Candy who judged for us at AKC trial, another recommendation is Mike Conroy, an East coast judge, for CPE. We like local judges. People are thinking about Nationals, and the judge is important. Sherry reported the trial she attended in Minnesota, had 1 ring set up and going, this went well, would like to see how this was done. Thinking about getting CPE judges who are provisional, Mary stated that competitors will not come if it is a provisional judge, one who has not been fully

licensed, maybe have not done enough judging yet, and need oversight by a licensed judge. Hard on people are going for championships and wanting double Qs, they want a fully licensed judge and to have no errors or questions afterwards. Everyone liked our March judge, Abby Hanson. Last November our judge was Kimberly Stumpf. We liked the judge, though the courses were not hers since she came in as a sub judge. Sub tweaked the courses and did a good job.

Awards and ribbons are now being worked on, bars were done; need to order more ribbons, especially AKC, Kerri handling this. Judy Vitamvas got Kat some clean runs to read over and get additional ideas for special topics, or sessions, etc. There was an article about contacts, when they are rubberized, recommended to never paint this, this takes the cushion away, although manufacturer said to do this. Omaha did this with their GOAG ones. Maybe just some mottle painting to see the contacts some, Kat has done this, and judge will want to make sure the dogs can see the contacts, nothing decided yet.

Though we had some conflicts with other trials, one in Iowa lost their AC in the building, not sure how they did.

Kat tried to get the list of corrected sessions 6, 7, 8, in order to get our instructors designated, Terese is on vacation, Kat hasn't gotten this yet, Some classes added and switched around, will follow up with this.

Judge does have the 2020 dates, sent to Candy by Kat. Need to think about trial chairs for after Oct/Nov trials. We do have the Oct and Nov games listed with the appropriate organization, but for 2019, need to know who is thinking about volunteering, Kat needs to know what months would work for individuals, and other volunteer responsibilities you have with the club, may need to switch things around. Would like to get March and April trial chairs decided. Lisa is coming in as trial sec'y for Oct., Jeannine is going to work with her. Will keep communication open for March. Sherry is

willing to co-chair for CPE in April. Kim may help, but is going to wait and see how Oct. goes. NADAC trials have now earned \$800+, getting close to \$1000 paid off for the purchase of the used contacts, A-frame and the dog-walk, have to pay back for these. Jeannine informed that we need to call these trials for tax purposes, and not show 'n go. Not sure how much earned so far from the trials, \$697 per Jeannine, except possibly higher, does not look like this number includes last fall's trial.

Not sure when next NADAC trial will be, Leath has to check with NADAC, possibly Sept/Oct., he is working to find an open weekend. Kansas people will come if they get the date set in time, they did not get the information in time for the recent trial. Jeannine reported the actual total from all NADAC trials is \$877.46.

Mary reported ongoing problems, same issues already reported, people not cleaning up in building after dogs, lights left on, reporting all kinds of messes found in building before picnic, and then also again the next morning. Mary printed out list with dates, everything that has been found and reported, and stating not everywhere has even been written down. Marilyn is sending along a lot of this information, as she found a lot of the problems and dog accidents. When they came in on the 25th of June, there was pee everywhere, some dogs had marked all over; west door not locked. People who come out early spend a lot of time cleaning up before they can even get started. Dogs seem to be running around with no one watching them. Reported that GLOC is lawless. Jeannine is working on getting the checklist up, but others voicing concerns that people will also ignore this. Hard to know if only small dogs, or large also, multiple people or the same ones. Also having to reposition equipment when coming in, gates/etc are not put back, and still building is not always locked. And using up a lot of our clean up materials, cost to the club. Suggestion that we need to rethink security cameras. We still do not know who has some

keys, Kat will look into this. Teresa is going to find out if the landlord might be willing to bear some of the cost, as he should want his building secure, at least ask him about this. Discussion and questions for how to set up the cameras, contracts, etc., plan to look into these.

Teresa asked about Harry's memorial, Kat has heard from Pat, she has given permission for part of the funds to be used for obedience or agility equipment. Will be mentioned at general meeting, we need to know who has donated directly to the club, and get list to Pat. She has indicated that she is in favor of some way to have some recognition at the Nov trial, something in the premium. Kat hasn't heard back about some of the suggestions, wants to get okay from Pat. And tentatively Linda from CPE has given her approval on that. Will move forward when we hear back from Pat, for more specifics on recognition. Harry was big on NADAC, per Pat. Maybe at our trial can give special Q ribbon, or NE National CPE ribbons, in his memory. NADAC has recognized Harry for his lifetime support and accomplishments, and awarded him a founder's plaque while he was still living.

Teresa suggested that on July 14th we have a GLOC event at the Bingo Hall, and have a fellowship night. This is at 4400 N Superior St. She will announce via email, wanting to get a head count. No drinking there, so do all your drinking beforehand. 6:30 is early bird, 7:30 regular bingo. \$11 is least amount to play, for this you get early bird games, followed by ½ hr. break, then you also get all of the usual games for the rest of the night. Get there by 6 to get your cards. You can win money, there is a raffle to win prizes also. \$100 for regular games, other and black games are worth more, up to \$1000. Can play machines, and not paper, then the minimum for this would be \$27.

Jessica offered a shed to the club that is in her back yard, willing to donate this to GLOC, need to tear down a fence to get to it, and this might

be rotten underneath, and needs sanded down and repainted. Can maybe set it up outside our building, put the agility equipment in it, or use it for something else. It is sturdy wood, with a floor. Pam has said she can jack it up, and has a trailer to load it onto, Jessica's neighbor also can help. Will have to get permission from the city, to move it to a new location and then some type building permit. Concern that the shed might be blown around with strong winds, but Jessica says that it is solid, has never been moved by any weather conditions before. Probably need someone with engineering background to figure out what risks are. Jessica is going to start by finding out permit information from the city.

Discussion on whether Kim will be given an instructor key or not. Commenting that it is not fair to volunteers or anyone involved, to give responsibility if they are not first observed, and given assistance, and oversight by someone more experienced, unsure if this is happening. In the past Club rule had been that no one could teach until they had earned a current obedience title, at least minimum of a CD title with your dog. Jeannine saying that if we go by this we would have to cut classes, as we don't have the experienced people to teach. If she can't have a key, probably should not be having her teach on her own, considering if someone can come in and provide some supervision and assistance for the class, maybe Alicia or some other experienced person. Teresa can possibly do this, except for being out of town for some of the classes. Decision to hold on right now with the instructor key. Mary can also come in and help or watch during the class. Motion to approve, Jessica first, Mary seconds.

GLOC General meeting minutes, July 5, 2018

Attendance at General Meeting

Jenna Dirkschneider, Evangeline Stuck, Eileen VanLent, JuLee Vincent, Julia Nawrocki, Teresa Barney, Jessica Bruns, Mary Schweitzer,

Jennifer Brown, Kim Kempkes, Jeannine Beer, Sherry Tomes, Judy Vitamvas, Kat Potthoff, Katie Schwartz and Pam Eckstein.

Meeting was called to order at 7:38. One item needing to review was the May minutes from the Barker, if no corrections, motion to approve the minutes, Judy V. moving, Jennifer Brown seconded. June minutes, will be checking that board members information is correct, have noted some errors in the list. Will check with Martha that she can make these corrections, sometimes not easy if a template was used. Judy Vitamvas reported that Chris Sumner wants to get the trial chair name added to list of contacts, for AKC trial for Oct., and possibly then do this for all trials.

Jeannine gave the treasurer's report, income for June was \$28,509.95, including SCC classes and June trial. Our expenses were \$10,271.86. Jeannine reporting that June was a very good month, income was \$28,509.95. \$10,220 was from SCC, \$17,150 from the trial. Expenses of \$10,271.86 includes our rent, April trial that we paid, paid our acct. June trial has not come through, asked for a discount due to mix-up there. At that trial we requested the new contracts within 4-6 wks, but we don't have those yet. \$4,000 estimate, floating for the Speedway, but not subtracted. Kat asked for tentative income for June, Jeannine will figure this out.

Net for the month was \$18,238.09 End Of Month balance was \$67,033.49. Float right now, we have \$8,286.58, \$4,000 is the estimate for Speedway, and also some AKC fees.

Jeannine stated she will hassle some people about their outstanding checks out there since last year. Jessica moved to approve, Judy seconded.

Jeannine asked if anyone has put cash in the box in the last couple of weeks, found \$19 or so. No one really knows, so without information this will be a donation.

Corresponding sec'y report – Kim sent a card to Alicia and Marcy for their sister; card to Pat Guticz, she fell, has a shiner, face-planted into a pole. Pam's son, Luke had surgery, had to have a 2nd surgery. Pam's husband has had to have injections, for fungus in the eye. Kerri Paulsen's grandmother had some health issues, Kat's heart grandma Annie is back in the nursing home, fell and had hip surgery. Teresa's dad has bone marrow CA, given 3 years to live, aggressive and rare form, going through chemo, hoping no side effects. Robin Bonge planning to have more surgery, in August. Cheryl Griffith's daughter Alison, had surgery.

Obedience report-Alicia is home sick with a cold, emailed info to Teresa that classes are running a little rough due to the heat. Last sessions make-up sessions are bleeding into this session. Liz Trainor will be teaching the tricks class, Kim is teaching Tues night Obedience Level 1 class. The reactive dog she was working with on Saturdays is not participating due to the heat. Obedience Level 2 class is very large. If you can help teach or assist with the classes this would be very helpful. Obedience 2 is Monday at 8 PM, could use help with this class. Sat at 9 to help assist Teresa also would be appreciated.

Sports Director

Kat said we got the Wahoo facility contracts. Judy Vitamvas reported Speedway contracts just signed for AKC trial for March and June of 2019, now goes back to him to sign. Hoping to get these signed within 4-6 weeks, and get this finalized. Also we have not gotten the June facility bill, Judy will bring this up to him when she has contact again. Chris has signed check already. Last contract needed is for 2019, for Lancaster Event Center, Kat requested to get this ASAP, Judy stated that they send this in January. Kat asked if we can get this earlier, but Judy stated not sure, they have this on automatic. And a reminder to everyone to get in any outstanding bills needed from the June trial, this is the very last call.

We need AKC and CPE judges recommendations, let everyone know anyone you like, taking suggestions, we have liked Abby and Candy for AKC; maybe Mike Conroy, Carl Johnson, names that have been mentioned. Kim Stumpf, Cheryl Solinski, CPE judges.

Trial chairs for 2019, want to start discussing with those interested in any of these, Sherry will help with April CPE, please get in your name if you have any interest.

Report on NADAC, 3 trials, profit of \$877.46, paying off the dog walk and A-frame, almost paid off (\$1,000 due). Sept or Oct possibly will be next NADAC trial, will talk to Leath, and pass along the information when it is known. Everyone is welcome for the NADAC trials, new member Lynette came with Bandit did 3 events, started well, providing good training, and able to face new challenges such as when your dog is first off leash. If you just want to practice, can ask them to close the gate, this is allowed when you don't plan to send in the video for judging. For NADAC they have to have entry/exit points and gates are left open, but just for fun, gates are closed.

Kat and Teresa have started with live streaming at our trials, this helps with increased public interest, some of our videos hitting 500 views, which is amazing. This lets people know what GLOC is doing, and that they also can come out and have fun with their dogs. These videos are posted on GLOC's FB public page if you would like to see them.

Barn hunt events, Oct. there will be a workshop, will let everyone know the date, can sign up through SCC, and also open to club members; nose work has class coming up, will send out more information for this once it is decided, whether level 1, 2, etc.

Reviewing of continued problem with building cleaning and caretaking, showing Mary's calendar, and problems found. She comes in the morning to train, found pee in ring 1, outside the

ring by the table, Friday, pee by the table; poop in ring 2 from a small dog. So we are not doing well. Teresa is going to look into security system estimates to check out the costs, and/or wifi monitoring. Teresa has cleaned up poop in ring 1 when she arrived today. While the idea of revoking everyone keys so we don't have this problem is drastic, and we don't want to punish those who are not responsible, but are considering this. Jeannine is getting checklist developed, and will get this up ASAP. It's on your honor, if you are the last one to sign in, and someone notices that's there is poop in the ring, guess who's getting the phone call. Also sign off that you've locked the doors, turned off the lights, putting it back the way you found it, etc. Mary adding all the issues found, people not cleaning up in building after dogs, lights left on. Do not have to have internet connection to put up the cameras. Mary pointing out that it is not like this in other places, some don't give keys out like we do, not sure what all other groups do. Appears that people are not watching their dogs. Cameras are motion-sensor, not on all the time. Need to remind people to take their dogs out as soon as they arrive for class. Kat has posted this on our FB member's page to let everyone know of the information, Teresa will send out email.

Teresa has suggestion that July 14th have GLOC at Superior Bingo Hall, fellowship night. This is at 4400 N Superior St. She will announce all about this via email, wanting to get a head count. Starts at 6:30 early bird games, 7:30 regular bingo. \$11 is least amount you will pay, for this you get early bird games, followed by ½ hr. break, then you also get all of the usual games for the rest of the night. Goes to about 10:15. You can 'daub', or use their machines, this is then \$27. Fun to get everyone out and do something. We have done art painting (\$25), Bingo is something different, and inexpensive. Tailgate somewhere first, no smoking or drinking at the building. Teresa will send out email, hope to get good number to attend. You

can win money, there is a raffle to win prizes also. \$100 for regular games, extra and black games are worth more, up to \$1000.

Blessing of the animals that we have been invited to is last weekend in July, we were invited to Methodist Church, 42nd and A. We can have table up to pass out GLOC information, and have our pets blessed also.

Brags – Evangeline and Jenna reporting that Minor did very well in UKC premier in Kalamazoo, in June. They have several different shows, confirmation and performance, if you get a win in confirmation and a qualifying score in performance, you go on to total dog show, and Minor did this in rally, and got to participate in the show. In Herding group for Total dog Minor got a group 2nd out of 24 dogs. This past weekend went to another UKC trial, Red Pine Kennel Club, in Minnesota, Jenna got a best in Jr. handler's one day, and there were a lot of Jr. handlers there. And we got a bunch of high end trial jrs for their rally trial as well at same show. Lots of bling! Minor also got a high end trial on Sunday, and by far our proudest achievement, on the same day, with 2 rings going, he got a Reserve Best in Show in Ring 1, also in Ring 2. He is a Grand Champion in confirmation, and he's gotten other recent recognition as well!

Judy Vitamvas reported that Ikon finished his Open Standard at our trial, and got his first excellent Jumpers Leg. Blaze only has 56 more pts. this month.

Jessica reported that Bella competed in her very first AKC trial in June, and got 3/6, 50%. Jeannine reported that Pappy at same trial, did 8 runs, had the zoomies at first, qualified in 3 runs that day, $\frac{3}{4}$, and did the same on the next day. Errors were handler error on the one he didn't get, overall he did great, and ran well!

Sherry reported that she and Renley went to first traveling trial in Minnesota, he did really well, he got 7/10!

Rufus also competed in his first AKC trial, which was our June trial, following some confusion for what days he was signed up for, qualified in $\frac{3}{4}$ of the runs he competed in! Rikokin has his 10th birthday on July 13th! Bella's birthday is July 20th! Jennifer reported that Leia got a new brother, Hank. Leia is adjusting to having him around.

Upcoming Events: Dog Splash is August 19. Bark in the Park is August 26. Still do not know if we are allowed to bring dogs on other days during the summer.

Dog Bowl is Sept. 2, 5-9PM.

Pam brought 2 rats this evening, can have your dog try instinct training and work on skills. Evangeline shared that they are still soliciting donations for the award fund for Obedience trials, if you want to memorialize or honor a pet.

Jeannine moved to adjourn, and Katie seconded.

Obedience and Rally Trial Award Fund

GLOC has now started an Obedience and Rally Trial Award Fund. There is a form at the end of the newsletter to fill out if you want to contribute. If you have questions about the fund, talk to Evangeline Stuck.

Best Choice Labels

There is a can for the Best Choice labels on the office desk. Once a year these labels are sent to the corporate office in return for \$\$\$ for our general fund!! "Let's Pack the Can!"

It is with great sorrow and pain that tell you that Cassie died. She was in the paddock less than two hours and when I went to get her She was gone. Thanks for all the words of love and understanding. Dan

Gallery of Brags

If you have a new puppy/dog announcement, a brag, or just some great pictures of your dog(s), submit them to the Barker for inclusion in our Gallery of Brags. Send your items to glocthebarker@gmail.com. Our deadline is the 15th of the month but for pics of puppies, we always make an exception.

So far in 2018, Digby has been to two UKC Nosework trial weekends and two AKC Scent Work trial weekends. In UKC, he got his last novice interior leg to finish that element and that also finished his Novice Nosework title. He then went on to finish all four elements at the advanced level for his Advanced Nosework title, and earn one leg in superior level containers. So in UKC that makes him AN PTS Buffalo Creek's Beau Geste.

In AKC, he earned the three legs in the novice buried element to finish his overall Scent Work Novice title, and finished the advanced level interior and exterior elements, and the excellent level container element. He also has two legs towards the advanced buried element. So that should now make his AKC titles CT Buffalo Creek's Beau Geste RAE HSAs NJP NFP SWN SIA SEA SCE.

At 14 years old, I assume every trial we go to will be his last -- but so far I'm happy to have been proven wrong multiple times.

Volunteer Puppportunities

Instructors and assistants always needed for obedience and agility classes. Contact Kat at glocsportsdirector@gmail.com.

It's that time of year again: If you arrive at the building to find the walkways are slick or snow-covered, you can claim time spent cleaning the snow off or sprinkling de-icer as volunteer hours.

There is a box at the GLOC building on the table in the office. Next to the box is a notebook. If you find yourself with a few idle minutes, look in the box and find a quick chore. Make sure, if you complete a task that you write it down in the notebook. These are quick and easy tasks that will contribute to your volunteer hours.

Check for other volunteer puppportunities in the GLOC calendar. If you have a puppportunity for GLOC members to volunteer, submit it to the Barker to be included.
