**Needed: Future Course Builders and Trial Chairpeople**

We need to have younger, more energetic people to come forward to learn how to set up agility courses and to learn to be trial chairpersons. We are willing to train you. All it takes is for you to shadow the Chief Course Builder or Trial Chair for a couple of trials and you would have the understanding of what to do. We have had the same people doing the same trials for several years. You can even enter the trial if you are doing those jobs. AKC trials and CPE trials are a little different but still similar in many ways. The success of our trials is dependent on the availability of our volunteers and it takes a lot to make for a successful trial, so please think about shadowing for one of those positions. You can talk to any of the Chairpeople or Course Builders for more information.
